## Helping the Indian to Reconquer America

### Oil and Ideals—They Mix Them in Oklahoma

The rich western state has not forgotten, even in the midst of the mad rush for the wealth which spouts from its soil, that it owes a duty to the present and to future generations of boys and girls

## Jews Use the Peace Conference to Shackle Poland

Do you know that the Jewish Sabbath was established in Poland by the Peace Conference, in which the President of the United States concurred? Polish Jews are coming in hordes to this country—will they ask for the same discriminatory laws here?

### The Patron Saint of the Dairy Industry

The story of Dr. Stephen Moulton Babcock, who developed the milk testing machine which made possible the expansion of the dairy business of the world and who threw away a fortune in these words, "The test is not patented."

## A Thumb-nail History of the Great War
